(1) Without prejudice to any other provisions of this Act, the Board may perform the following functions:-

(a) Treat, supply and distribute water for household consumption or other purposes and install, operate and maintain sewerage system to those parts of the urban local areas and areas as may be modified by the Government of Tripura from time to time.

(b) Plan for, regulate, control and develop ground water and sewerage systems in urban local areas and also give advice in this respect to the ULBs

Provided that the Board shall not license and levy user charges for regulation, control and development of ground water or sewerage systems in any area for the time being falling within the jurisdiction of the urban local areas, except with the prior approval of the Government of Tripura;

(c) Promote measures for conservation, recycling and reuse of water.

(2) The Board may, with the prior approval of the Government entrust any of the tasks and functions referred to in this section to a local body, limited company, registered society, research institute or government undertaking, including provision for private investment in any works thereof including ownership of the facility, on such terms and conditions as may be approved by the Board.

25. Water supplied for domestic purpose not to be used for non-domestic purposes.

(1) No person shall, without written permission of the Board, use or allow use of water supplied for domestic purpose for any purposes, other than domestic purposes, except to extinguish a fire.

(2) No person shall willfully pollute water in or obtained from any well, tank, water works or other source of supply being water which is or is likely to be used for domestic purpose or for the preparation of food or drink for human consumption, so as to be prejudicial to health.

26. Supply of water for domestic purposes not to include any supplies for specified purposes

The supply of water for domestic purpose shall not be deemed to include supply thereof:

(1) For animals or for washing vehicles, where such animals or vehicles are kept for sale or hire;

(2) For any trade, manufacture or business;

(3) For fountains, swimming, or any ornamental or mechanical purposes;

(4) For any construction work of any kind.

27. Power to supply water for non-domestic purposes

The Board may, in its discretion and subject to sufficient availability of water, supply water to any person or organization including industrial establishments for non-domestic purpose or other public purposes, on such terms and conditions, including payment of such charges, as may be specified by regulations:

Provided that the Board shall allow all persons to take water for extinguishing fires only from any pipe on which a hydrant is fixed, without any payment.

28. Power to require water supply to be taken and power not to allow occupation of a new premise without arrangement for water supply.

(1) It shall not be lawful to construct or occupy any premises without adequate arrangements for water supply in accordance with such Regulations as may be made in this behalf.

(2) If it appears to the Board that any premises in the jurisdiction of ULBs are without supply of water for domestic purposes or that the existing supply of water for domestic purposes available for the persons usually occupying or employed in such premises, is inadequate or objectionable for reasons of health and sanitation, the Board may, by notice in writing, require the owner of the premises or the person primarily liable for the payment of property taxes in respect of them:

(a) To take a connection adequate for the persons occupying or employed in the premises, or to take such additional or enlarged connection or connections from the water works;

(b) To provide supply pipes and water fittings, install and work a pump and do all such works and take all such measures as may, in the opinion of the Board, be necessary for the above purposes.

(3) The Board may in the notice issued under sub-section (2) specify:

(4)

(a) The size, material and quality of the pipes and water fittings to be provided;

(b) The position of the pipes and water fittings to be provided and the means of access for the inspection thereof;

(c) The type of pump that should be installed and the hours during which it should be kept working;

(d) The period within which any or all the works specified in the notice should be carried out;

(e) Any other requirement which the Board may deem necessary.

29. Power to lay mains, sewers, pipes.

- (1) The Board may lay water mains, sewers or service pipes, of any type in any street or, with the consent of the owner and occupier of land not forming part of the street, in over or on any such land and may from time to time inspect, repair, alter or renew such main or pipe, wherever situated.

Provided that where a consent required for the purpose of this sub-section is withheld, the Board may after giving the owner or occupier a written notice of its intention to do so, lay the main pipe, in, over or on that land even without such consent.

- (2) Where the Board, in exercise of its powers under this section, lays or inspects repairs, alters or renews a water main, service pipe, sewer, it shall pay compensation to every person interested in such land for any damage or injury done to such land by reasons thereof.

- (3) The compensation payable under sub-section (2) shall be such as may be fixed by the Board in accordance with such procedure as may be prescribed and after considering any claims made by any person interested in such land.

30. Power to require water supply and sewerage to be taken and to require maintenance of service pipe.

- (1) The Board may require any person, who desires the supply of water for domestic or any other purpose, to comply with such requirements as may be specified in this behalf including the provisions of any supply pipes or any tanks, pumps or other pipes or fittings, or deposit of the cost of so doing, and the payment of any amount required by way of development charges.

- (2) After obtaining the sanction of water connection from the Board the delivery pipe shall be laid by the consumer through a licensed plumber at his own cost from the main to consumer's premises including ferrule.

- (3) It shall be the duty of the consumer to maintain, repair and replace, if required, such delivery pipe at his own cost.

- (4) The customer shall cause inspection of all service pipes post 15 (fifteen) years or more of laying, to be conducted by a licensed plumber once in every 5 (five) years, at his own cost. If the service pipes are found rusted or leaking, which is likely to result in contamination of water, the work of repair or replacement shall be executed by the consumer, at his own cost, through a licensed plumber.

- (5) It shall be the responsibility of the development agency carrying out any construction, including multi-storied construction or additions to existing construction, to ensure provision of water supply through storage tanks, either underground or overhead, and booster pumping stations and sewerage connection. The construction shall be the responsibility of the developing agency and the maintenance and operation of the arrangements shall be the responsibility of the occupant of such premises. The board shall be responsible for supplying water in the mains, feeding the service pipe and to provide and maintain sewerage connection.

The construction arrangements shall be done with the prior permission of the Board and on such terms & conditions as shall be determined by the Board.

31. Provision of fire hydrants

The board shall, on payment by the agency responsible for fire services, fix hydrants on water mains (other than trunk mains) at such places as may be convenient for supply of water for extinguishing any fire which may break out and shall maintain them.

Provided that the board shall allow water to be taken for extinguishing fires from any pipe on which a hydrant is fixed, by the agency responsible for fire services, without any payment.

32. Power of Board to provide meters

(1) The board may provide water meters to measure the consumption of water by any person using water supplied by the Board and until the contrary is proved, it shall be presumed that the quantity of water shown by the meter has been consumed.

Provided that the Board may in its discretion, permit a consumer to use his own water meter.

(2) The user charges, installation fees and rent to be paid for such use, maintenance and testing of meters shall be in accordance with Regulations framed under this Act or any other Regulations made applicable by the State Government.

33. Power to cut off or turn off water supply or Sewer Connection.

The Board may, subject to regulations made in this behalf, cut off or turn off water supply to any premises or part thereof and the expense of cutting or turning off the water supply shall be paid by the occupier of the premises.

34. Prohibition of wastage or misuse of water or installation of booster pumps.

(1) No person shall willfully or negligently cause or suffer any water fittings to be so constructed or so adopted, or to remain out of order in such a manner, that the water supplied to him by the board is, or is likely to be wasted, misused or unduly consumed or contaminated, or that foul air or any impure matter is or is likely to be returned to any pipe belonging to, or connecting with a pipe belonging to the Board.

(2) The Board may without prejudice to its right to proceed against such person under any other provision of law, require any person infringing the provisions of sub-section (1), to carry out any necessary repairs or alterations and, if he fails to do so within forty eight hours, may carry out the work and recover the cost incurred in so doing, from such person.

(3) No person shall install a booster pump or any other appliance without the permission of the Board on any water main or service pipe or shall pump water supplied by the Board otherwise than in accordance with such conditions as may be specified by Regulations made in this behalf.

35. Power to enter premises to detect wastage or misuse of water and to restrict use of water from polluted source of supply.

(1) Any officer, authorized in writing by the Board may, between sunrise and

sunset, enter any premises using water supplied by the Board in order to check if there is any misuse of water and no person shall refuse entry to such officer or obstruct him.

(2) If the Board is of the opinion that the water of any well, tank, or other source of supply, being water which is likely to be used for domestic purpose or for the preparation of food for human consumption, is or is likely to be, so polluted as to be prejudicial to health, the Board may, after giving the owner or occupier of the premises a reasonable opportunity of being heard, by order, direct that the source of supply be permanently or temporarily cut off or impose restrictions upon the use of such water.

(3) No person shall construct any latrine or cesspool within ten meters of any well, tank, water pipe or in any position where such well, tank or pipe is likely to be injured or the water therein polluted.

(4) No person shall sink any well, tube well or hand pump except in accordance with such conditions as may be laid down by Regulations in this behalf having regard especially to the proximity of any sewer or storm water drain or of any polluted water and the Board may further require, in accordance with the regulations made in this behalf, that its permission should be obtained.

36. Power to require every premise to have separate water connection and service pipe.

(1) Unless otherwise permitted by the Board, every premises supplied with water shall have a separate water connection.

(2) If, in respect of any premises already supplied with water but not having a separate service pipe, the Board gives notice to the owner of the premises requiring him to provide such a pipe, the owner shall, within three months, lay the said pipe and the Board shall, as soon as may be after the owner has done so, give the connection to the said pipe from its own supply line.

(3) If an owner on whom a notice has been served under sub-section (2) fails to comply, the Board may itself execute the said work and recover the cost incurred.

37. Power of the Board to delegate its power to an officer of the Board.

The Board may, by order direct, that any power conferred or duty imposed on it under this Act shall in such circumstances and under such conditions, if any, as may be specified in the order, be exercised and performed also by any officer of the Board, as specified in the order.

38. Power to restrict or prohibit use of water.

When ULBs or any part thereof is visited or threatened by an out-break of disease and the Board considers it necessary to do so, the Board may: -

- (1) By issuing public notice, restrict in any manner or prohibit for any period, as may be specified in the notice, the sale of water for human consumption as specified in the notice;
- (2) Without notice and at any time inspect and disinfect any well, tank, public hydrant or other place from which water is or is likely to be taken for the purpose of drinking.

39. Power to control use of water from wells, tanks, public hydrants etc.

If the Board is of the opinion that water in any well, tank or other place, if used for drinking is likely to endanger or cause spread of any diseases, the Board may:-

- (1) Require the owner or person having control of such well, tank, hydrant or place to take such steps as the Board may consider necessary to prevent the public from having access to or use of such water;
- (2) Take such other steps as the board may consider expedient to prevent the out-break of such diseases.

40. Power of owner of premises to place pipes through land belonging to other persons.

(1) If it appears to the Board that the most convenient means of supplying water to any premises is by means of a pipe over, under, along or across the immovable property of another person, the board may, by order in writing, authorize the owner of such premises to place or carry such pipe over, under, along or across such property.

Provided that before making any such order, the Board shall, in accordance with such Regulations as may be made in this behalf, give to the owner of the property affected a reasonable opportunity of being heard.

Provided further that the owner of the premises shall not acquire any right other than a right of reasonable access in the property affected where any such pipe or drain is placed.

(2) After an order under sub-section (1) has been made, the owner of the premises may, after giving reasonable notice of his intention to do so, enter upon the affected property referred to, in order to carry out the work of placing the pipe or drain or for the purpose of repairing it.

(3) The owner of the premises shall cause as little damage as possible to the said property, fill in, reinstate and make good at his own cost any ground broken up or removed by him and shall complete the work with the least possible delay and shall pay a reasonable compensation to the owner of the property or such other persons affected.

(4) If on the application of the owner of the property affected, it appears to be necessary in the opinion of the Board to do so, in order to allow for the construction or safe enjoyment of any building, the Board may by notice in writing require the owner of the premises to relocate or divert any pipe or drain laid under the provisions of this section at the cost of the owner of such premise, which shall be fixed by the Board.

(5) In case of dispute between the owner of the premises and the owner of the property affected, respectively referred to in this section, or between the owner of the premises and any other person, they may refer the matter to the Board whose decision, after giving due opportunity of being heard to the parties, shall be final.

41. Power to execute works

When, under the provisions of this Act, any person is required or is liable to execute any work, the Board may cause such work to be executed after giving such person an opportunity of executing it, within such period as the Board may fix for the purpose, and the

board shall recover the cost incurred in the execution of such work, from the said person, in accordance with such Regulations as may be made in this regard.

42. Disposal of Sewage

110. Compensation to be paid by offenders for damage caused by them

- (1) Any person who has been convicted of any offence against this Act, shall, notwithstanding any punishment to which he may have been sentenced for the said offence, be liable to pay such compensation for any damage to the property of the Board resulting from the said offence as the Board may consider reasonable.
- (2) In the event of a dispute regarding the amount of the compensation payable under sub-section (1) such amount shall, on application made to it, be determined by the court before which the said person was convicted of the said offence and on non-payment of the amount of compensations determined, the same shall be recovered under a warrant from the said court as if it were a fine imposed by it on the person liable therefore.

111. Recovery of dues

(1) If a person liable to pay any dues to the Board does not, within thirty days from the service of the notice of demand pay the amount due, such sum together with all costs and the penalty under Sections 104 shall be recoverable under a warrant, issued in the form set forth in the first schedule, by distress and sale of the movable property, or the attachment and sale of the immovable property. The matter will be referred by the Board to the concerned District Magistrate & Collector for necessary action.

(2) Every warrant issued under this section shall be signed by a member of the Board or any officer duly authorized by the Board.

112. Distress

(1) It shall be lawful for any officer or other employee of the Board, to whom a warrant is issued under section 113, is addressed, to distrain, wherever, it may be found in any place in Tripura, any moveable property belonging to the person therein named as defaulter, subject to the following conditions, exceptions and exemptions, namely:-

(a) The following property shall not be distrained: -

(i) The necessary wearing apparel and bedding of the defaulter, his wife and children and their cooking and eating utensils;

(ii) Tools of artisans;

(iii) Books of account; or

(iv) When the defaulter is an agriculturist, his implements of husbandry, seed, grain and such cattle as may be necessary to enable the defaulter to earn his livelihood.

(b) The distress shall not be excessive, that is to say, the property distrained shall be as nearly as possible equal in value to the amount recoverable under the warrant, and if any property has been distrained which, in the opinion of the Board, should not have been distrained, it shall forthwith be released.

(2) The person charged with the execution of a warrant of distress shall forthwith make an inventory of the property which he seizes under such warrant, and shall, at the same time, give a written notice in the form set forth in the second schedule, to the person in possession thereof at the time of seizure that the said property will be sold as there in mentioned.

113. Disposal of distrained property and attachment and sale of immovable property

(1) When the property seized is subject to rapid decay or when the expense of keeping it in custody is, when added to the amount to be recovered, likely to exceed its value, the Board shall give notice to the person in whose possession the property was at the time of seizure, that it will be sold at once, and shall sell it accordingly by public auction unless the amount mentioned in the warrant is paid forthwith.

(2) If the warrant is not in the meantime suspended by the Board or discharged, the property seized shall, after the expiry of the period named in the notice served under sub-section (2) of section 110 be sold by public auction.

(3) When a warrant is issued for the attachment and sale of immovable property, the attachment shall be made by an order prohibiting the defaulter from transferring or charging the property in any way, and prohibiting all persons from taking any benefit from such transfer or charge, and declaring that such property would not be sold unless the amount due with all costs of recovery is paid into the Board's office within fifteen days from the date of the attachment.

(4) Any transfer of or charge on the property attached or any interest made without written permission of the Board shall be void as against all claims of the Board enforceable under the attachment.

(5) The surplus of the sale-proceeds, if any, shall, immediately after the sale of

the property, be credited to the water fund, and notice of such credit shall be given at the same time to the person whose property has been sold or his legal representative and if the same is claimed by written application to the Board within one year from the date of the notice, a refund thereof shall be made to such person or representative.

(6) Any surplus not claimed within one year as aforesaid shall be the property of the Board.

(7) For every distraint and attachment made in accordance with the foregoing provisions, a fee of such amount not exceeding two and a half percent of the amount of the tax due as shall in each case be fixed by the board, shall be charged, and the said fee shall be included in the costs of recovery.

114. Recovery from a person about to leave Tripura

(1) If the Board has reasons to believe that any person from whom any sum is due or is about to become due is about to move from Tripura, he may direct the immediate payment by such person, of the sum due or about to become due, and cause a notice of demand for the same to be served on such person.

(2) If, on the service of such notice, such person does to forthwith pay the sum so due or about to become due, the amount shall be leviable by distress or attachment and sale in the manner hereinbefore provided, and the levy by distress or attachment and sale may be issued and executed without any delay.

115. Offences and Penalties

(a) With fine which may extend to the amount, specified in that behalf in column 3 of the said table or with both; and

(b) In the case of a continuing contravention or failure, with an additional fine which may extend to the amount specified in column 4 of the table for every day during which such contravention or failure continues after conviction for the first such contravention or failure.

116. Prosecutions

No court shall proceed to the trial of any offence except on the complaint of or upon information received from the Chief Executive Officer or any other officer authorized by the Board by a general or special order in this behalf.

117. Compounding of offences

(1) The Board may, either before or after institution of the proceedings, compound any offence under this Act:

Provided that no offence shall be compounded unless the offender has paid all dues including penalties payable by him and compensation as the Board may consider necessary, having regard to the facts and circumstances of the case, and indemnifies the Board against any damage for which the board may be liable on account of his action.

(2) When an offence has been compounded, the offender, if in custody, shall be discharged and no further proceedings shall be taken against him in respect of the offence so compounded.

118. Arrest of offender

(1) Any police officer may arrest any person who commits in his view any offence against this Act or against any rule or regulation made there under if: -

(a) The name and address of such person are unknown to him and;

(b) Such person on demand declines to give his name and address or gives a name and address which such officer has reason to believe to be false.

(2) No person so arrested shall be detained in custody after his true name and address are ascertained.

119. Protection of action taken in good faith.

No suit prosecution or other proceeding shall be instituted or shall be entertained in any court against any member of the Board or of the consultative council, or against any other officer or employee of the Board or against any person acting under the order or direction of any such person for anything which is in good faith done or intended to be done in pursuance of this Act or any Rule, Regulation or other instrument made there under.

120. Notice to be given to suits.

No suit shall be instituted against the Board until the expiry of two months after notice in writing has been left at the Board's office and unless such notice states explicitly the cause of action, the nature of the relief sought, amount of compensation claimed and the name and place of residence of the intending plaintiff, and unless the plaint contains a statement that such notice has been so left or delivered.

121 . Power to set up testing laboratory for quality control of drinking water.

The Board shall have power to set up testing laboratory for quality control of drinking water according to Bureau of Indian Standard (BIS) for urban local body areas.

122. Removal of difficulties

(1) If any difficulty arises in giving effect to any provision of this Act, the Government may, on the recommendations of the board, by a general or a special order published in the official gazette, make such provisions not inconsistent with the provisions of this Act or the rules or regulations made there under, as may be necessary or expedient for the purpose of removing the said difficulty.

Provided that no such order shall be made after the expiry of a period of three years from the date of commencement of this Act.

(2) Every order made under this section shall be laid, as soon as may be, after it is made, before the Tripura legislative Assembly.

123. Repeal and savings:

(i) The Tripura Jal board Ordinance, 2020 (The Tripura Ordinance No. 9 of 2020) is hereby repealed.

(ii) Notwithstanding such repeal, anything done or any action taken or any order made or any notification issued under the Ordinance so repealed, shall be deemed to have been done or taken or made or issued under the corresponding provisions of this Act.
